

TECHNICAL SALES AND SERVICE

The team at NORKEM, is looking for a dynamic person to fulfill the role of Technical Sales and Service Representative within the London Region. This person will have minimum four (4) years experience with a bachelor of science, engineering or environmental science degree.

The selected candidate will be able to demonstrate the ability to generate new clients along with manage existing client relationships. Meet and exceed yearly sales expectations, have a strong ability to communicate, orally, written and verbally. Be willing to travel within the region and be responsible to effectively manage time, budget or expense parameters. The incumbent shall have a technical background in water treatment and demonstrate the ability to collect and test water samples on site and analyze results to provide recommendations to improve quality of treatment.

NORKEM continuously drives growth by creating and selling, we have a competitive edge and pride ourselves on continuous improvement and new technologies. We are a sales based organization and are looking for a like minded individual. We offer competitive salaries, commissions, company car, and cell phone for the right person.

To apply, please send resumes to reception@norkemwatertreatment.com
